

Transparent Pricing for Wills, Trusts & Estate Planning Services

Many clients believe they only need the services listed in the 'Basic Services' and 'Lasting Power of attorney' sections. However, Wills can provide much more in terms of protection from inheritance tax, payment of care fees and dealing with complex family situations by the inclusion of additional clauses and Will trusts. I as an Associate of APS Legal will be happy to discuss them and your specific requirements.

**Subject to the company's discretion **All of these products are reserved legal activities and are therefore carried out by our 3rd party Solicitors. To begin the work, we require certified ID for each client involved and two official letters showing proof of address (utility bills, bank statements etc.), these can also be certified. Please send the relevant ID together with the completed enclosure sheet and a covering letter. Any Solicitor work is not covered under our normal 10 working day turnaround time. We will inform the associate of any additional fees and the estimated timescale once this is confirmed to us by the Solicitors. Please note additional disbursements will likely apply once the case is processed by our 3rd-party Solicitor as they may need to conduct additional checks e.g., ID checks, and may incur additional fees in doing so. Disbursements can vary from case to case so please manage client expectations accordingly. Any additional fees will be invoiced once the amount is confirmed to us and payment for such fees will be required at that stage.*

Please make payments for all fees to your myself who will invoice you.
Payments can be made by BACS or cheque.
